Current Position

Since October 2023 (expected completion: January 2026)

PhD Student in Statistical Sciences, University of Padova

Thesis title: “Advanced Statistical Methods and Models for Monitoring Drug Safety”

Supervisor: Prof. Alessandra R. Brazzale

Co-supervisors: Prof. Ugo Moretti, Prof. Francesco Salvo, Dr. Pietro Belloni

Research interests

- Pharmacovigilance and drug safety analytics
- Statistical modelling and Bayesian methods
- Biomedical natural language processing
- Machine learning and predictive modelling for health data
- Medical statistics and pharmacoepidemiology

Education

2016–2018

M.Sc. in Statistics (Biostatistics)

East China Normal University, Shanghai, China

Thesis: “A Bayesian Stochastic Gradient Descent Method”

Supervisor: Prof. Jin Xu

2012–2015

B.Sc. in Statistics

Jimma University, Ethiopia

Thesis: “Time Series Analysis on Water and Irrigation Development”

Supervisor: Dr. Sisay Wondaya

Visiting periods

January 2026 – June 2026

CRPV Bordeaux-DROM, CHU de Bordeaux, France

Supervisor: Prof. Francesco Salvo

September 2024 – February 2025

Centro Regionale di Farmacovigilanza del Veneto (CRFV Veneto), University of Verona, Italy

Supervisor: Prof. Ugo Moretti

Further Education

March–August 2021

Higher Diploma Program for Higher Education Academics

Jimma University, Ethiopia

Work Experience

2018–2023

Jimma University, Ethiopia

Lecturer in Statistics and Biostatistics, Department of Statistics

2019–2023

Rift Valley University, Jimma Campus, Ethiopia

Part-Time Lecturer in Statistics

2015–2016

Jimma University, Ethiopia

Graduate Assistant I in Statistics, Department of Statistics

Awards and Scholarships

2016–2018

China Scholarship Council

East China Normal University, Shanghai, China

2015

Academic Excellence Award

Jimma University, Ethiopia

Computer Skills

- Statistical software: R, Python, SAS, STATA, Minitab, SPSS, EPI INFO
- Machine learning and NLP libraries: PyTorch, Hugging Face Transformers
- Document preparation: LaTeX, Markdown, Microsoft Office Suite
- Version control: GitHub

Language Skills

- Afan Oromo: native; Amharic: native; English: fluent (C1); Chinese: beginner (A1); Italian: beginner (A1).

Publications

Preprint

Conference Participation

The Role of Statistics for National Development in the past, Present and in the future perspective of Ethiopia. *30th Annual Conference of Ethiopian Statistical Association (ESA)*, Addis Ababa, Ethiopia, May 21–22, 2022.

Advanced Statistical Methods for Solving Challenging Problems in Africa. *6th African International Conference on Statistics*, Arsi University in collaboration with University of Maryland Baltimore County, Adama, Ethiopia, May 25–28, 2019.

Enhancing the quality of Data for Sustainable Development in Ethiopia. *28th Annual Conference of Ethiopian Statistical Association (ESA)*, Bahir Dar University, Bahir Dar, Ethiopia, March 9–10, 2019.

Appraisal of African Statistical Associations (AfSA) and 1st International Statistical Conference in Ethiopia. *25th Anniversary of Ethiopian Statistical Association (ESA)*, Addis Ababa, Ethiopia, May 20–22, 2016.

Teaching Experience

2018–2023

Lecturer

Department of Statistics, Jimma University, Ethiopia

Courses taught: Statistical Inference, Statistical Theory of Distributions, Introduction to Probability Theory, Statistical Methods, Basic Statistics, Sampling Theory, Time Series Analysis, Biostatistics and Epidemiology, Econometrics, Demography, Multivariate Methods, Statistical Computing I & II, Social and Economic Statistics

2019–2023

Part-Time Lecturer

Rift Valley University, Jimma Campus, Ethiopia

Courses taught: Regression Analysis, Business Statistics, Biostatistics

Academic Service

2020–Present

Copy Editor

Ethiopian Journal of Education and Sciences

Provided editorial and statistical content review
